LB 752

that you may take away that persons privilege of doing, you are treating those people differently.

SENATOR CROSBY: One minute.

SENATOR CHAMBERS: From anybody who doesn't have such a license, right.

SENATOR CUDABACK: Appreciate it, and I guess I can kind of see that in a fashion that it may be treating classes differently than...

SENATOR CHAMBERS: Yes.

SENATOR CUDABACK: ...other classes.

SENATOR CHAMBERS: Yes, yes, yes.

SENATOR CUDABACK: Okay. Thank you.

SENATOR CROSBY: Thank you, Senator Cudaback. Senator Brown, there are no further lights, would you like to close on your amendment?

SENATOR BROWN: Madam President, members of the body, I would like to respond for a second to Senator Robinson, we do not license boxers in the state of Nebraska. We regulate boxing events, but we do not license boxers. So, if Senator Robinson is really concerned about this he probably needs to bring a bill to license boxers, and then we can deal with whether that would be an area we want to provide some suspension issues in this bill at some later date. I would just say that this is a very simple amendment. It just acknowledges the fact that we do not yet have the automated system and that, I believe that as long as all individuals with recreational licenses will be treated the same that I don't see the equal protection issue. I would just ask for the adoption of this amendment. Thank you.

SENATOR CROSBY: Thank you, Senator Brown. You have heard the closing. The question is the adoption of the Brown amendment to the committee amendments to LB 752. All in favor vote aye, opposed no. Senator Brown.
